SSLC

Little Star English Medium School,
Yadadi Mathyadi-576222

👛 PROFESSIONAL EXPERIENCE

Internship

Sumana Embedded Technologies

Jul 2024 – Nov 2024 | Bengaluru

- Collaborated with a team of six to design, develop, and test a **software module** for **USB serial** and **local reader-writer** systems.
- Utilized **JavaScript** and **Dart** to implement efficient and reliable solutions.
- Delivered the project ahead of schedule by leveraging strong teamwork and time management skills.
- Gained hands-on experience in software development lifecycle, from defining requirements to testing and deployment.

📁 PROJECTS

Personal Banking System

- Developed a **banking system** using **Python**, **MySQL**, and **XAMPP** for account management, transactions, and balance checking.
- Implemented **user authentication** and dynamic **transaction tracking** (deposits, withdrawals).
- Designed an **e-Passbook** to display transaction history.
- Automated **XAMPP services** for seamless integration of Apache and MySQL.
- Focused on creating a secure, user-friendly interface with error handling.

🧠 SKILLS
